09:00 – 09:15 Welcome

09:15 - 10:15 Student presentation and discussion

- Introduction to research data from Olga Skende
- Discussion (everybody)
  - What kind of data are you working with? Could you walk us through an example study or dataset to illustrate your work?
  - What details about your research data do you keep track of? Do you use handwritten lab notes, spreadsheets or some other methods? How do you keep everything organized?
  - Where would you upload/deposit your data so that other groups can access it?
  - At the research design stage, do you try to find data published by other researchers? If yes, what have you encountered?
  - How do you ensure that colleagues or researchers from your field will be able to make use of your data?

10:15 - 10:30 break

- Coffee and Donuts will be provided 😊

10:30 - 12:00 Seminar Rance Nault

12:00 - 01:00 lunch
